Long-Term Care Membership by

AT HOME

Take Charge of Your Future

Enjoy your retirement years with an affordable long-term care plan that protects your savings, health, and independence.

Woodhaven at Home membership can be the answer to your questions about how you will ensure that your retirement years are all that you imagined.

You can even choose a plan to supplement long-term care insurance if you already have it. And membership is a great fit with life in a senior living or continuing care retirement community, giving you the freedom to age in the environment most comfortable to you — your home.

We help you build a plan that works for your lifestyle and finances. Your plan can cover the cost of care you may need to stay in your home; care that is arranged and monitored by a credentialed Care Coordinator, your trusted health care advocate.

Nearly **70%** of people over age 65 will experience a life altering health event requiring some kind of long-term care.

Care Coordination: The Key Difference

From day one, you are partnered with a personal Care Coordinator, a highly credentialed professional from Woodhaven at Home who will design and oversee a wellness plan focused on prevention to help you stay healthy.

Your Care Coordinator is your health care advocate for short- or long-term needs, available to you at any time for consultation and guidance. If you have a change in health status, your Care Coordinator can help you navigate the complex health care system and will locate, coordinate, and manage the caregivers who will come to your home.

An Affordable Plan

Whether you are still actively working, getting ready to consider retirement, or are already semi- or fully-retired, it's never too early to consider your future. The good news is that Woodhaven at Home offers an array of options to help you age in place safely and in comfort.

Woodhaven at Home membership is open to individuals between the ages of 55 and 81, in relatively good health, and living independently in Southeast Michigan.

About Woodhaven at Home

Woodhaven at Home is a new and unique member program that helps participants maintain as much independence as possible in their own homes as they age.

Membership in Woodhaven at Home is offered by the Woodhaven Retirement Community of Livonia, Michigan, a not-for-profit, faith-based, and financially solid organization that has been recognized as a local leader in senior living and health services for over three decades.

The Woodhaven Retirement Community is a licensed, full-service life plan community and is excited to introduce Woodhaven at Home as an expansion of its mission and services.

The time to act is now.
